Utah Prader-Willi Syndrome Association

Gregory Cherpes, MD joined the medical staff of The Hospital at The Children's Institute as a psychiatrist in 2006. He is board certified in child and adolescent psychiatry and general psychiatry and works with children in the pediatric rehabilitation inpatient unit as well as with children and adults in the Prader-Willi and Behavioral Disorders program at The Hospital at The Children's Institute. For the past six years, Dr. Cherpes was the medical director for Child, Adolescent and Developmental Disability Services, Allegheny East Mental Health/Mental Retardation Center. Prior to his work at Allegheny East, he was the director of outpatient services for adults with developmental disabilities at Allegheny General Hospital.

Dr. Cherpes earned his medical degree from the Medical College of Wisconsin and completed an internship in pediatric medicine and child psychiatry. He completed a residency in general psychiatry and a fellowship in child and adolescent psychiatry at Western Psychiatric Institute and Clinic in Pittsburgh.
