

President's Message

Thanks to all of you, we had a wonderfully successful Walk '08! It's amazing to watch what can happen when we all work together. I marvel at our dedicated friends and families who continue their loyal support. Many of our kids just enjoyed a fun week at Camp Kostopulos. I hope you parents got some much-needed respite. We look forward to seeing you at the pool party this Saturday. Thanks to the Millers for their hospitality. Also, you won't want to miss the conference on Saturday, September 6th. Make sure you invite your child's teacher and anyone else who will work closely with your child this year. Enjoy your last few weeks of summer!

Sincerely,
Lisa Thornton
UPWSA Pres.
