

Prader-Willi Syndrome Seminar for Physicians, Therapists And Other Interested Medical Providers

Attention!

We have the exciting opportunity of having Dr. Linda M. Gourash and Dr. Janice L. Forster of the Pittsburgh Partnership here in Salt Lake City to conduct a seminar for medical providers and therapists.

Dr. Janice Forster is a Child and Adolescent Psychiatrist who specializes in Developmental Neuropsychiatry. She has had more than 25 years of clinical experience working with individuals who have developmental disabilities. Dr. Gourash is the Medical Director of the Prader-Willi and Behavioral Disorders Program of the Children's Institute in Pittsburgh.

Both Drs. Gourash and Forster serve on the board of directors and as clinical consultant for the Prader-Willi Syndrome Association of the USA and frequently speak at national and international PWS conferences.

Drs. Gourash and Forster are world-class experts in both the medical treatment and behavioral management of Prader-Willi Syndrome. You will not want to miss this opportunity!
